

# ARE YOU OUR NEW DIRECTOR?

Hi there! Are you a director (in the making) who is looking for more experience? Our amateur community may just be the right place for you. Please read on if you are intrigued. Directing in our group is both an enriching and a challenging experience. Luckily, you will have some of our golden oldies helping you find your way.

## WE ARE WOW-EFFECT

We are the international amateur theater community of Nijmegen. We are also a non-profit association. Since 2014, we produced a variety of original plays and adaptations in and around Nijmegen. Our group is diverse regarding ages, occupations, cultural backgrounds, experience levels, expectations... There is one thing that unites us though: a passion for theater.

We rehearse every Thursday between 20:30 and 22:30 at Burghardt community centre. We also organize a few, day-long, weekend rehearsals.

## OUR IDEAL DIRECTOR CANDIDATE

- Has good English language skills.
- Has experience and / or education in theater directing.
- Has affinity with community and multicultural theater.
- Can balance structure and flexibility well.
- Is well organized, a good communicator, a team player.
- Is open to reserve time for our production out of the regular rehearsal hours.

## WHAT WE EXPECT FROM YOU

- Implement a schedule and milestones for the season (from October till early June) in consultation with the rest of the production team.
- Cast based on people who (already) joined the team.
- Include warm-up / exercises / improvisation games in your rehearsals for team building and skill development.
- Provide a vision to our backstage teams to unite different creative inputs.

## WHAT WE OFFER

- This is a volunteer position. We can provide a small compensation i.e. for travel costs.
- We love experimenting and learning together. So, if you want to improve your skills in this setup, great!
- We have other volunteers in the production team with several years of experience, which also provides a nice opportunity for collaboration.

## OUR NEW PROJECT

- We want our new director to have a say in our play choice so we are open to hearing your ideas.
- Generally speaking, we look for projects with social / societal impact and try to keep the topics "current".
- We have 2-3 play options written or adapted by our own members, which provide flexibility in edits along the season, based on your suggestions and the cast.
